

Exciting Partnership Announcement with Grand Slam IT School !

We are absolutely thrilled to announce our new partnership with Grand Slam IT School ! This partnership sets the stage for joint courses and seminars, as well as numerous collaborations with schools and universities.

Grand Slam I.T. School is a premier live, online, and instructor-led technical training and career coaching platform for students and professionals, and a corporate training, talent sourcing, and managed solutions partner to organizations. Our team of experienced trainers and coaches work closely with our trainees and clients to ensure they are well-equipped to excel in the global IT industry.

We believe this partnership will bring great opportunities for both our organizations and, more importantly, the students we aim to serve. Looking forward to the innovative educational experiences that we will create together!

Stay tuned for more updates on this exciting collaboration!
